

# Top 4 Reasons Arizona Healthcare Providers Connect to Health Current

1. Increase efficiency
2. Improve care quality
3. Save time & money
4. Receive higher AHCCCS payments

## Arizona Healthcare Providers on the Benefits of Joining the HIE:

“The number one benefit of receiving alerts from the HIE is the **reduction in time** for coordination of care and direct services ... Not only does it **save money**, it is the best way to coordinate care on the client's behalf.”

– Phillip Pierce, Data Integrity Specialist,  
Old Pueblo Community Services

Imagine fully informed health

As a healthcare provider in Arizona, you can **receive a higher reimbursement rate** through the AHCCCS Differential Adjusted Payment (DAP) program when you join and receive patient information from the Arizona **Health Information Exchange (HIE)**. To learn how your organization or practice can get connected to the Arizona HIE, **contact Health Current at:**

**602.688.7216**
