

# A Breath of Knowledge:

## A Lung Cancer Webinar Series for Providers

### PART I: The Need to Knows: Lung Cancer & Lung Cancer Screenings

**Robert Smith, PhD**  
Senior VP & Director  
Center for Cancer Screenings  
American Cancer Society

**Tuesday, March 23, 2021**

**1:00 p.m.—2:00 p.m.**

**Zach Jump, MA**  
Director for Epidemiology,  
Statistics and Research  
American Lung Association

**Carly Ornstein, MPH, CHES**  
National Director, Lung Cancer Education  
American Lung Association

**Quality Improvement (QI) initiatives are more likely to succeed with provider buy-in.**

In this webinar series, attendees will learn about the burden of lung cancer in Arizona, screening guidelines and recommendations, the benefits and effectiveness of lung cancer screening, and the impact of stigma on lung cancer patients.

CME & CEU credits have been applied for by the Central Arizona Area Health Education Center (CAAHEC). Attendance and submission of participant evaluations are required to receive full credit, upon credit approval.
