Welcome to the Provider Report Management Tool

This secure online tool gives you direct access to provider reports. To determine if you or providers in your group have reports available, please log on to the secure provider web portal at www.MercyCareAZ.org. The [Mercy Care Web Portal](#) link is located at the top right of the home page.

See the enclosed quick reference guide to help you use the Provider Report Management Tool. Once in the tool, select options in the drop-down menus as follows:

- Report Selection OPTIONS:
 - Provider – name of the provider
 - Report Type – type of report you would like to view or download
 - Report Period – reporting period you would like to view or download

The search results will populate and filter automatically depending on the options selected.

Note: In some cases, individual provider reports roll up to the practice level. You can select the practice from the provider drop-down to see if respective reports are available.

- Report Selection RESULTS
 - Available reports are displayed as hyperlinks directly beneath the results section
 - Clicking on a report name hyperlink will give you the option to open or save the report

Note: In some cases, report search results may include additional documentation such as report instructions or guides. When reviewing results, please be sure to review any supplemental materials.

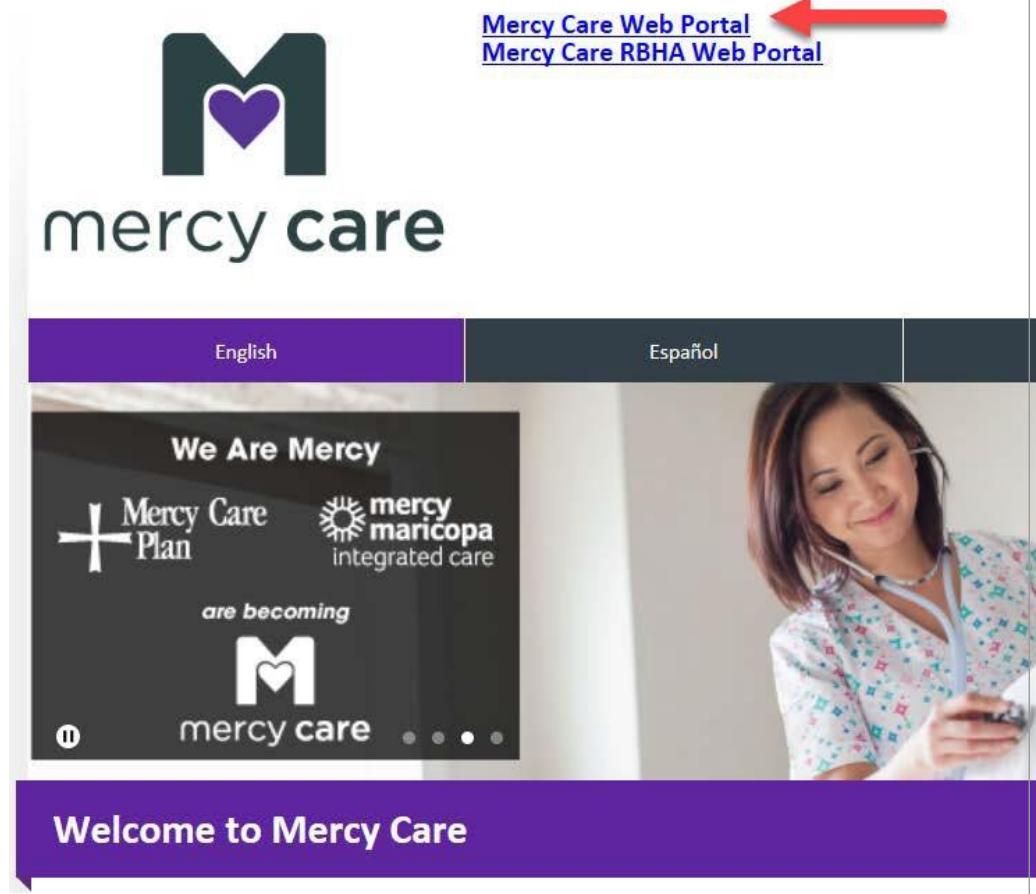

For additional information such as preventive health resources and health plan contacts, see the links on the left of the Provider Reports Tool webpage.

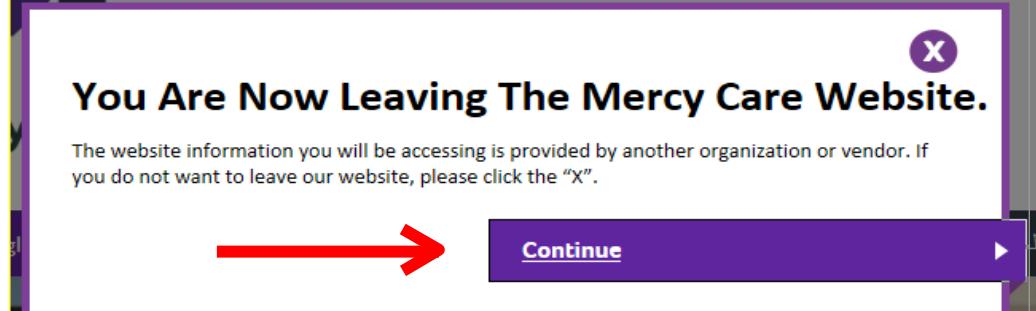

Questions

If you have questions about the Provider Report Management Tool or your reports, please contact your Network Management Department Liaison. If you do not know who your Liaison is, please go to www.MercyCareAZ.org, click on the “For Providers” hyperlink underneath their appropriate line of business, and the “Network Management Department” section is located on the right hand side of the webpage. All the Network Management Assignments hyperlinks are available at this location.
