

## Provider Enrollment Update

May 19, 2020

### **AHCCCS Announces Provider Enrollment Portal (APEP) Launch Date Change**

Due to a prioritized response to the COVID-19 emergency, AHCCCS has changed the launch date of the new AHCCCS Provider Enrollment Portal (APEP) to August 31, 2020.

On that date, the AHCCCS Provider Enrollment process will move from a manual, paper-based system to a new, online system. The new online system will allow providers to:

- Enroll as an AHCCCS provider.
- Update information (such phone and addresses).
- Upload and/or update licenses and certifications.

This change, from a manual process to an automated system will streamline the provider enrollment process. Initial applications will be processed more quickly and changes to current enrolled providers will all be completed online.

Until the automated APEP system is launched, providers are asked to use this [Provider Enrollment paper application](#).
