

Mercy Care is proud to introduce...

Sahar Osman A. Mohammed
Manager, Provider Relations
Mercy Care

Sahar joined Mercy Care in January 2018 as a Provider Relations Behavioral Health Supervisor and was swiftly promoted to a Provider Relations Manager in December 2018. Sahar currently manages long term care providers, primary care physicians, several behavioral health providers, specialties, hospitals, and ancillary providers in Maricopa County. She also manages Apache, Coconino, Mohave, Navajo and Yavapai Counties.

Since immigrating to the USA from Sudan in 2007, Sahar worked in clinical, management and leadership roles in behavioral health outpatient clinics primarily serving people with serious mental illnesses.

Prior to that, Sahar worked as an undergraduate university teaching assistant, and after obtaining her M.Ed., a lecturer in psychology and education. She also has an extensive work history of humanitarian and aid work with refugees and those affected by disasters.

Sahar is dedicated to enhancing the Provider's experience as well as increasing engagement with our Provider community and, most importantly, helping provide a better level of service to our members.
