Introducing our new Network Management department

Recently Mercy Care's Provider Relations Department and Contracting Department have merged into one department – Network Management. Our Network Management department is your touchstone to everything Mercy Care. The combined department was formed to create better efficiencies between our old Provider Relations and Contracting teams and is led by Patricia Weidman, Director, Network Management.

Our general phone number is: 602-263-3000 or 800-624-3879 toll-free.

Our e-mail address is: MercyCareNetworkManagement@mercycareaz.org

Our fax number is: (860) 975-0841

To contact a specific Network Management Representative about your detailed needs or questions, please view the below contact list.
