## AHCCCS E.V.V.

ELECTRONIC VISIT VERIFICATION

**\*\*\*This notice is intended for stakeholders interested in information on Electronic Visit Verification\*\*\***

This notice is intended to provide an update on the upcoming EVV training to support stakeholders in preparing to comply with the EVV mandate.

### Website Update ([www.azahcccs.gov/evv](http://www.azahcccs.gov/evv))

AHCCCS is in the process of finalizing the Electronic Visit Verification (EVV) policy internally, AHCCCS Medical Policy Manual (AMPM) 540, and preparing it for public comment. AHCCCS will send out a notification when the policy is available for public comment. In the interim and in an effort to support providers in developing operational plans to integrate EVV into business practices, AHCCCS has provided DRAFT/SAMPLE versions of standard forms that providers will be required to use as part of the EVV program moving forward. A list of the standard forms is provided below. Please note: These documents are not final and subject to change.

- Designee Attestation
- Paper Timesheet Attestation
- Paper Timesheet
- Member Contingency/Back-Up Plan

### Stay Informed

Please sign up for the AHCCCS Constant Contact email list to receive any and all EVV notices (like this one) from AHCCCS under the “Stay Informed” tab on the AHCCCS website.

AHCCCS appreciates the active engagement of the providers and continues to monitor and respond to emails while noting the topics of most interest to the stakeholder community. This correspondence along with other provider outreach and engagement

activities continues to help us to prioritize communication topics as well as build our directory and timeline for the release of future FAQ installments.
