Provider Directory

Welcome to Mercy Care RBHA (Formerly Mercy Maricopa Integrated Care). We are the Regional Behavioral Health Authority (RBHA) for Maricopa County. Our goal is to provide you with access to high-quality physical and behavioral health care. That's why we have a large network of health care providers.

These providers support our mission to empower you on your path to recovery. We want to help you make good choices. We want you to live a healthy life.

About our network of providers

We've built our provider network to treat behavioral and physical health together. We pick our providers carefully. Providers included in this directory offer a wide range of services. These services are culturally sensitive, individual and specialty services for you and your family.

Our service area is Maricopa County and a small portion of Pinal County.

How to use this directory

This directory provides a list of the physical and behavioral health providers. These are our network providers. It's organized alphabetically, by city, specialty and provider's last name. All providers in this directory accept Medicaid.

The directory includes services that may be available to adults who are:

- Determined to have a serious mental illness (SMI)
- Eligible for Medicaid (also called the Arizona Health Care Cost Containment System, or AHCCCS)
- Determined to have general mental health and/or substance abuse issues

You can find a listing of all available providers online at **www.MercyCareAZ.org**. You can find details about their locations, telephone numbers and what languages they speak. If you don't have Internet access at home, most public libraries offer no cost Internet service.

You can get a printed copy of this provider directory at no cost by calling Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**).

This directory is printed monthly. However, some providers may have been added or removed from our network after this directory was printed. Some may or may not be taking new members.

To get the most current information about providers in your area, call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**), 24 hours a day, 7 days a week.

You can also visit our website at **www.MercyCareAZ.org** and click on the "Find a Provider" tab at the top of any web page. This directory is available in other formats, such as large print. It's also available in languages other than English. To request a copy of this directory in another language, call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**).

Integrated care

You're part of an integrated health care program. That means your physical and behavioral health providers can work together to consider your whole health-behavioral health, physical health, medication and case management needs.

As a member of this program, you have a choice of providers. Your Primary Care Provider (PCP) helps coordinate your physical health care. You can choose any PCP in this directory. You may change your PCP at any time, for any reason. You can also choose to allow your PCP and your behavioral health team to share information. This will let them work together to help you get the right care at the right time.

If you want to allow that, you can call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**). They can help you give that permission.

Provider Directory

You're the most important part of your health care team. You have the choice and right to decide where you go for services. The providers listed in this directory have agreed to provide you with health care, vision, dental and pharmacy coverage.

You may go to any of the providers listed in this directory. Some services and specialists may require a referral. That means you have to get approval in advance.

Getting specialty care

If your PCP thinks you need specialized treatment, he or she will give you a referral to see a specialist. A specialist is a doctor who provides health care services for a specific disease or part of the body. Some examples of specialists include oncologists, who treat cancer. You may also see a cardiologists, who treat heart conditions. There are also orthopedists, who treat bone, joint or muscle conditions.

It's very important to get a referral from your PCP before you see a specialist. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check with your PCP to find out if these visits are included under your original referral. If they aren't included, your PCP can help you get a new referral for the additional visits.

If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals. Certain health care services require prior authorization from Mercy Care RBHA. This means the service must be approved by Mercy Care RBHA before it will be covered.

These includes services such as hospitalization or outpatient surgery. Check your Member Handbook for a complete list of services that require prior authorization.

You can view the Member Handbook at **www.MercyCareAZ.org**. You can also request a printed copy of the Member Handbook by calling Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**).

For information about services that require prior authorization, you can also call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**).

What services don't require approval in advance from a PCP?

There are some services you can get on your own. That means you don't need a referral from your PCP. You must get these Mercy Care RBHA services from providers in the Mercy Care RBHA network. These include:

- Routine women's health care, such as breast exams, mammograms (X-rays of the breast), Pap tests and pelvic exams
- Flu and pneumonia vaccinations (as long as you get them from a Mercy Care RBHA provider)

What if you have a medical emergency?

Get medical help as quickly as possible. Call 911 for help. You can also go to the nearest emergency room or urgent care center. You don't need to get prior approval. You don't need to get a referral. You may get covered emergency medical care whenever you need it, anywhere in the United States. Ambulance services are covered in the United States when other means of transportation would endanger your health.

Getting non-emergency care when traveling outside of the Mercy Care RBHA service area

If you need non-emergency care when you're outside the service area, your health care coverage is limited. The only services we cover when you're outside our service area are those for:

- Medical emergencies, including post-stabilization care, urgently needed care
- Renal (kidney) dialysis
- Care that Mercy Care RBHA or a provider has approved in advance

If you have questions about what services are covered when you travel, call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**).

Your rights to services

You and your family have the right to receive services that meet your needs. You have the right to receive them in a timely manner. If you experience any problems getting timely services, call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**). You can call 24 hours a day, 7 days a week.

You can also call Mercy Care RBHA if you have any concerns about the services you received.

What if you use non-contracted providers to get covered services?

“Non-contracted providers” are providers that aren’t part of the Mercy Care RBHA network. If you use non-contracted providers without getting prior approval from your PCP or Mercy Care RBHA, you may have to pay the full cost of the services. You must use network providers, except in emergency or urgent care situations or for out-of-area renal dialysis or other services.

If you get routine care from out-of-network providers, neither AHCCCS nor Mercy Care RBHA will be responsible for the costs.

What should you do if you get a bill from a non-contracted provider that you think Mercy Care RBHA should pay?

We cover certain health care services that you get from non-contracted providers. These include care for a medical emergency, urgently needed care, renal (kidney) dialysis that you get when you’re outside the Mercy Care RBHA service area and care that has been approved in advance by Mercy Care RBHA.

If you get a bill for the services, don’t pay it. Send the bill to the address listed below for processing.

Mercy Care RBHA
4350 E. Cotton Center Blvd., Bldg. D
Phoenix, AZ 85040

If the claim is payable, we will pay the provider. If you have already paid for the services, submit a copy of the bill and proof of payment to us. We’ll process the claim. If the claim is payable, you will be reimbursed for our share of the cost.

If we deny the claim, you will be notified in writing. We’ll also provide you with your appeal rights. If you have questions about a bill you received, you can call Mercy Care RBHA Member Services at **602-586-1841** or **1-800-564-5465**; (TTY/TDD: **711**). Los proveedores incluidos en este directorio ofrecen una amplia gama de servicios. Dichos servicios son culturalmente sensibles, individuales y de especialidad para usted y su familia.

Nuestra área de servicio es el Condado Maricopa y una pequeña porción del Condado Pinal.

- SE haya determinado que tengan problemas generales de la salud mental y/o de abuso de sustancias

Usted puede encontrar una lista de todos los proveedores disponibles en línea en **www.MercyCareAZ.org**. Usted puede encontrar los detalles sobre sus ubicaciones, números telefónicos y qué idiomas hablan. Si usted no tiene acceso a la Internet en su hogar, la mayoría de las bibliotecas públicas ofrecen servicio de Internet sin costo alguno.

Atención integrada

Usted es parte de un programa integrado para el cuidado de la salud. Esto significa que sus proveedores de servicios para el cuidado de la salud física y del comportamiento pueden trabajar juntos para considerar su salud en forma integral-sus necesidades para la salud del comportamiento, salud física, medicamentos y administración de casos.

Directorio de Proveedores

Como miembro de eSte programa, usted tiene una opción de proveedores. Su Proveedor de Cuidado Primario (PCP) le ayuda a coordinar el cuidado de su salud física. Usted puede seleccionar a cualquier PCP en eSte directorio. Usted puede cambiar de PCP en cualquier momento, por cualquier razón. Usted también puede optar por permitir que su PCP y su equipo para la salud del comportamiento compartan información. Esto les permitirá trabajar juntos para ayudarle a obtener la atención correcta en el momento correcto.

Si usted quiere permitir eso, puede llamar a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**). Ellos pueden ayudarle a usted a otorgar ese permiso.

Usted es la parte más importante de su equipo para el cuidado de la salud. Usted tiene la opción y el derecho de decidir a dónde va a recibir servicios. Los proveedores listados en eSte directorio han acordado proveerle a usted cobertura para el cuidado para la salud, de la vista, dental y de farmacia.

Usted puede acudir a cualquiera de los proveedores listados en eSte directorio. Algunos servicios y especialistas pueden requerir una referencia. Esto significa que usted necesita obtener una aprobación por adelantado.

Obteniendo atención especializada

Si su PCP cree que usted necesita tratamiento especializado, él o ella le darán una referencia para que vea a un especialista. Un especialista es un doctor que provee servicios para el cuidado de la salud para una enfermedad específica o para una parte del cuerpo. Algunos ejemplos de especialistas incluyen a oncólogos, quienes tratan el cáncer. Usted también puede ver a cardiólogos, quienes tratan condiciones del corazón. También hay ortopedistas, quienes tratan condiciones óseas, de articulaciones o musculares.

Es muy importante obtener una referencia de su PCP antes de ver a un especialista. Si usted no tiene una referencia antes de recibir los servicios de un especialista, es posible que usted tenga que pagar por dichos servicios. Si el especialista quiere que usted regrese a visitas de seguimiento, asegúrese de consultar con su PCP para determinar si dichas visitas están incluidas bajo su referencia original. Si no están incluidas, su PCP puede ayudarle a obtener una referencia nueva para las visitas adicionales.

Si hay hospitales específicos que usted desee utilizar, averigüe si su PCP utiliza dichos hospitales. Ciertos servicios para el cuidado de la salud requieren autorización previa de Mercy Care RBHA. Esto significa que el servicio debe ser aprobado por Mercy Care RBHA antes de que sea cubierto.

Esto incluye servicios tales como hospitalización o cirugía como paciente externo. Encuentre en su Manual del Miembro una lista completa de servicios que requieren autorización previa.

Usted puede ver el Manual del Miembro en **www.MercyCareAZ.org**. También puede solicitar una copia impresa del Manual del Miembro llamando a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**).

Para información sobre los servicios que requieran autorización previa, usted también puede llamar a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**).

¿Qué servicios no requieren una aprobación por adelantado de un PCP?

Hay algunos servicios que usted puede obtener por su cuenta. Eso significa que usted no necesita una referencia de su PCP. Usted debe recibir estos servicios de Mercy Care RBHA de proveedores de la red de Mercy Care RBHA. Esto incluye:

- Atención de rutina para el cuidado de la salud de la mujer, como exámenes de los senos, mamografías (rayos x de los senos), pruebas Papanicolaou y exámenes pélvicos
- Vacunas contra la influenza/gripa y neumonía (siempre y cuando las reciba de un proveedor de Mercy Care RBHA).

¿Qué tal si usted tiene una emergencia médica?

Obtenga ayuda médica tan pronto como sea posible. Llame al 911 para pedir ayuda. Usted también puede ir a la sala de emergencias o al centro de atención urgente más cercanos. Usted no necesita aprobación previa. Usted no necesita obtener una referencia. Usted puede obtener atención médica de emergencia cubierta siempre que la necesite, en cualquier lugar de los Estados Unidos. Los servicios de ambulancia se cubren en los Estados Unidos cuando otros medios de transporte podrían poner en peligro su salud.

Obteniendo atención que no sea de emergencia cuando viaja fuera del área de servicio de Mercy Care RBHA

Si usted necesita atención que no sea de emergencia cuando se encuentre fuera del área de servicio, su cobertura para el cuidado de la salud es limitada. Los únicos servicios que nosotros cubrimos cuando usted esté fuera de nuestra área de servicio son aquellos para:

- Emergencias médicas, incluyendo atención posterior a la estabilización, atención urgentemente necesaria
- Diálisis renal (riñón)
- Atención que Mercy Care RBHA o un proveedor hayan aprobado por adelantado

Si tiene usted preguntas sobre los servicios que están cubiertos cuando usted viaja, llame a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**).

Sus derechos a los servicios

Usted y su familia tienen el derecho de recibir servicios que satisfagan sus necesidades. Ustedes tienen el derecho de recibirlos de manera oportuna. Si tiene usted cualquier problema obteniendo servicios de manera oportuna, llame a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**). Usted puede llamar 24 horas al día, 7 días de la semana.

Usted también puede llamar a Mercy Care RBHA si tiene cualquier inquietud con respecto a los servicios que haya recibido.

¿Qué tal si usted usa a proveedores que no estén bajo contrato para obtener servicios cubiertos?

Los “proveedores no contratados” son proveedores que no son parte de la red de Mercy Care RBHA. Si usted usa a proveedores que no están bajo contrato sin obtener la aprobación previa de su PCP o de Mercy Care RBHA, es posible que usted tenga que pagar el costo total de los servicios. Usted debe usar proveedores de la red, excepto en situaciones de emergencia o de atención urgente o para diálisis renal u otros servicios fuera del área.

Si usted obtiene atención de rutina de proveedores fuera de la red, ni AHCCCS ni Mercy Care RBHA serán responsables por los costos.

¿Qué debería hacer usted si recibe un cobro de un proveedor que no esté bajo contrato y usted cree que debería pagarlo Mercy Care RBHA?

Nosotros cubrimos ciertos servicios para el cuidado de la salud que usted recibe de proveedores que no están bajo contrato. Éstos incluyen la atención para una emergencia médica, la atención urgentemente necesaria, diálisis renal (riñón) que usted obtenga cuando esté fuera del área de servicio de Mercy Care RBHA, y atención que haya sido aprobada por adelantado por Mercy Care RBHA.

Si usted recibe un cobro por los servicios, no lo pague. Envíe el cobro al domicilio listado a continuación para su procesamiento.

Mercy Care RBHA
4350 E. Cotton Center Blvd., Bldg. D
Phoenix, AZ 85040

Si la reclamación es pagadera, nosotros le pagaremos al proveedor. Si usted ya pagó por los servicios, envíenos una copia del cobro y del comprobante de pago. Nosotros procesaremos la reclamación. Si la reclamación es pagadera, a usted se le reembolsará nuestra parte del costo.

Si nosotros denegamos la reclamación, a usted se le notificará por escrito. Nosotros también le proveeremos sus derechos de apelación. Si tiene preguntas sobre algún cobro que usted haya recibido, puede llamar a Servicios al Miembro de Mercy Care RBHA al **602-586-1841** ó al **1-800-564-5465**; (TTY/TDD al **711**). Usted puede llamar 24 horas al día, 7 días de la semana.
