Providing one of the broadest offerings of specialty pharmaceuticals in the industry

The **Specialty Pharmacy Drug List** is a guide of medications available through CVS Specialty®. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. We have a network of pharmacies that includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally recognized symbols of quality that reflect an organization's commitment to meet high standards of quality and safety.
