# Nursing Home COVID-19 Action Network ECHO

Supporting Partners in Long Term Care

Supported by the federal Agency for Healthcare Research and Quality (AHRQ), and in collaboration with the Institute for Healthcare Improvement (IHI), Project ECHO is continuing a National Nursing Home COVID-19 Action Network (the Network). We hope you will **join or continue to join us in this interactive community** to collaboratively advance improvements in COVID-19 preparedness, safety, and infection control.

Sign Up Now

- Available to all care providers
- Participation is free
- Free CME credits provided to those who qualify

Register Here
