Summary of Changes
HEDIS MY 2020

Name change – What is HEDIS MY 2020?

> The HEDIS 2020 Measurement year is: January 1, 2020 through December 31, 2020.

Other new changes will be brought to your attention throughout the presentation.

How members become eligible for the measure

Members 18-75 years of age as of December 31 of the measurement year

Members may be identified as having diabetes during the measurement year or the year prior to the measurement year.
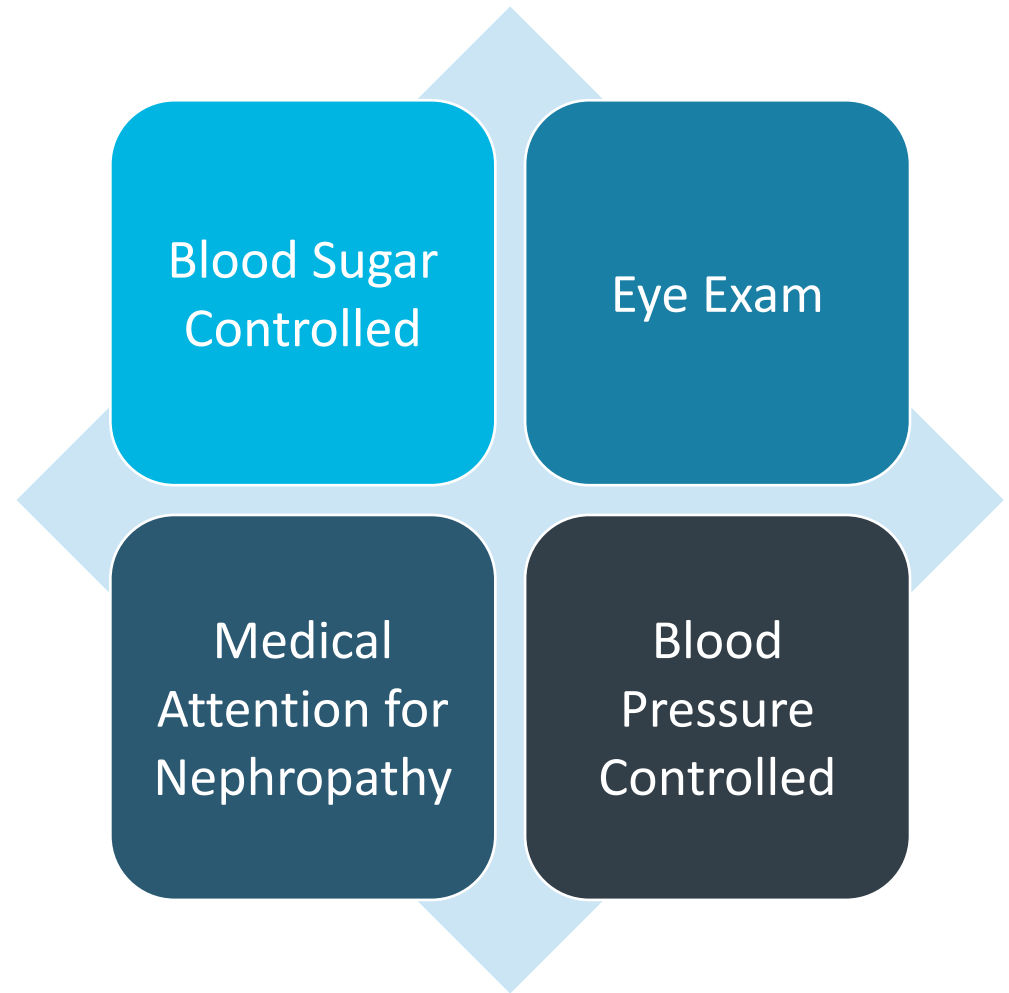

There are two ways to identify members with diabetes:

- By Claim/encounter*
- By Pharmacy data
