2021 Annual General Meeting - SAVE THE DATE

We are happy to announce that the 2021 Annual General Meeting (AGM) will be held in beautiful St. Catharines, Ontario from Wednesday, May 26 through Friday, May 28.

St. Catharines is the largest city in the Niagara region. Situated just a short distance from Niagara Falls, St. Catharines is the ideal spot for this important conference.

"We are very proud to be hosting the 2021 Cities Initiative AGM," said Mayor Walter Sendzik, Vice Chair of the Cities Initiative and mayor of St. Catharines. "We are ready to show off our beautiful city. We will also have many activities planned for you that week that will make this meeting both informative and fun. We are looking forward to a great meeting."

Please make sure you save these dates on your calendar to attend the meeting. A preliminary agenda will be shared with you soon.
