

Call for Resolutions

Each year our organization releases our resolutions to governing bodies and the general public that notifies them of the important issues and initiatives we will be working on over the next year. These resolutions also guide us as an organization by directing us on a set of issues we will work on.

This year resolutions must be submitted by **December 1, 2020**. All submissions should be sent to kyle.hills@glslcities.org. In order to submit a resolution, the member must be in good standing with the organization. As a result of the cancellation of the annual meeting in May, we could not review resolutions. Our bylaws allow resolutions to be approved by the board at our mid-year meeting. The Board shall determine whether resolutions are compatible with existing policy statements, approved resolutions, and the overall mission of the organization. Guidelines for consideration are:

1. The Board reserves the right to judge how the intent of the resolution reflects the organization's policies and reserves the right to object to those resolutions which do not reflect our policy.
2. The Board reserves the right not to entertain resolutions that address disputes between or among municipal governments.

We look forward to receiving your submissions. Please contact kyle.hills@glslcities.org if you have any questions.
