## Explore the Niagara Region

We have arranged our agenda so that you can enjoy all day Friday exploring all that Niagara has to offer. From their rolling vineyards to the stunning natural wonder of the Niagara Falls there is something for everyone. Discover Niagara from the ground up in Niagara's South Coast, St. Catharines, Twenty Valley, and historic Niagara-on-the-Lake. You will find a host of wineries, craft breweries, golf courses, adventures and dining experiences just waiting to be discovered, your way. To learn more, follow this link:

We are reaching out at this time to encourage you (and any of your travel companions) to start planning any additional excursions. June is a peak season for the Niagara area so booking your excursions now will prove to be very advantageous.
