**COMMENTS FROM PREVIOUS
INFANT TODDLER CDA STUDENTS**

I have improved my practice because of this course.
It was so nice to be with so many amazing professionals with experiences similar to my own.
Harriet was a rock start teacher!
I will be walking away with a positive attitude for my future classes.
Harriet has been an incredible, knowledgeable instructor. She is the true definition of a child care professional. It has been an honor being able to learn from her.
I was able to learn from the experiences of the others in the room. You aren't able to have that experience when taking the on-line version.
It has taught me so much regarding strategies on teaching.
I learned a lot about child development and how to be a professional in the field.
I definitely have a deeper understanding of child development.
I am now confident in applying what I learned in the CDA course.

The In-Person Infant-Toddler Child Development Associate (CDA) class meets at the Child Care Council of Westchester once a week on 2-4 Tuesday evenings from 6-9:30 and three Saturdays. Classes run from September 24, 2019 through June, 2020.

The course fulfills the 120-hour CDA education requirement needed to obtain your CDA. You will also prepare your professional resource file and gather all necessary documents needed to apply to the Council for Professional Recognition to become a CDA.

At the end of the course, students may apply for an EIP scholarship for the \$425 application/assessment fee to the Council for Professional Recognition.

You must have worked 480 hours with infants and/or toddlers in the 3 years before you submit your application.

Do not delay!
Application deadline: August 15, 2019
