

**Bubbles keep children of all ages entertained. Make your own bubbles and wands!**

### **Mile High Bubbles**

2 cups warm water

1/3 cup dish soap

1/4 cup corn syrup

### **Dura-Bubbles**

2 cups hot water

1/4 cup dish soap

1 (.25 oz) packet gelatin

2 tablespoons glycerin

### **Wands:**

#### **Pipe cleaners/ chenille sticks:**

You can create just about any shape you like from a pipe cleaner, just make sure you keep a small section as a handle. Try with circles, stars or even triangles.

#### **Plastic funnel:**

This already has a natural shape for a bubble wand. Using the large end to dip and the small end to blow, this is a sure winner!

**Fly swatters:** This creates tiny bubbles and are easy for the toddlers to use.
