

How to Support Immigrants

We can each support the release of immigrants from Arizona detention centers. The Welcome Center of Casa Alitas will need drivers as well as in-house hospitality volunteers. If you are not in the at-risk category, please consider signing up for these essential tasks! Check out this video describing the Welcome Center in the age of COVID:

Other ways to support: Download the toolkit prepared by the Florence Project:

Alert Congress. Call for hearings and investigations by members of the House & Senate. Support the Fight. The Florence Project and their partners are suing over the conditions in detention centers and demanding the release of vulnerable migrants. They have filed over 100 humanitarian parole requests for people considered high-risk for complications from COVID-19. Visit <https://firrp.org> to support their work.
