

FRIDAY NIGHT EVENING PRAYER - starting September 25, 2020

Are you looking for a spiritual way to close out the week, and prepare for the weekend? Been busy all day/week and want to take 30 minutes in early evening for some prayer time in community? Grace St. Paul's is now offering **Friday Night Evening Prayer**, on the second, third, fourth, (and fifth) Friday of the month **at 7pm via Zoom**. We will be using an adapted version of the New Zealand Book of Common Prayer Evening Prayer service. The service will be available on Zoom and shared when you are in the room. The only difference will be the Scripture reading, which will be the Gospel reading for the day. The Zoom sign-on will be provided in the weekly e-blast. It will include the dates on Friday that this prayerful service is offered. If you have any questions, comments, etc., please contact Rev. Chris through the church office, @ 520-327-6857. The first Friday is taken with the First Friday Play Reading.
