

Hi everyone,

Please see the attached flyer and schedule for an anti-racism program the AZ Episcopal Diocese has created together.

I will be running this for kids and families as a year-long outreach ministry for GSP. Please share with any and all of your contacts! The more the merrier.

It is FREE. It is online. It will be roughly one Saturday a month (from 1-2p.m. MST) for 11 sessions (schedule is attached). It is appropriate for children as young as five years old and is meant for families to do together.

We will use videos, songs, activities, and real life stories to explore this subject together.

Registration deadline is Sept 18 as I will need to mail out supply packets to all who register.

Please sign up yourselves and pass this on!

To register or ask any questions, I can be reached by email: [Jessica.Swift@grace-stpauls.org](mailto:Jessica.Swift@grace-stpauls.org).

Thank you for helping to spread the word--because we are on Zoom, anyone anywhere in the world can register and join us.

Kindly,  
Jessica

As a progressive Christian church that practices compassion, we want to work together as a community to challenge ways of thinking & being that keep oppressive societal structures in place. Our hearts are big, but we don't always get it right when it comes to being anti-racist. We must dismantle our own biases before we can expect the world to change. We are in this together, & we challenge you, like we are challenging ourselves, to come alongside us & be open to growing & learning as a community. It is up to us to continue to work toward an equal & just society. Come learn with us through a series of videos, real-life stories, activities, & discussions. You will need a Zoom-compatible device & internet. This program is appropriate for children as young as kindergarten, & is meant for families to participate in together. Contact GSP's Director of Children, Youth, & Families for more information & to register: [Jessica.Swift@grace-stpauls.org](mailto:Jessica.Swift@grace-stpauls.org), 520-327-6857.
