

Notre-Dame de Paris—Past and Future
Sunday, July 28 at 9:00 am in the Bloom Room

A PowerPoint presentation of the construction and long history of one of the oldest Gothic cathedrals in the world. Notre-Dame de Paris is widely considered the finest example of French Gothic architecture in Europe. After the tragic fire in April of this year French President Emmanuel Macron promised to restore the Cathedral in only five years. The question is, what should the newly renovated monument look like?
