

**Migrant Ministry Update**

**Sunday, December 15 at 9:00 am in the Bloom Room**

Much has happened since the last update in September. Come to hear the latest news on how the ministry continues to assist migrants and what more we can do. There will also be a report from the Diocese of Arizona's recent 2nd Annual Border Ministries Summit.

*Presented by **Deacon Nancy Meister** and **Margie King**, both long active in justice initiatives for immigrants along the border of Mexico and the U.S., most recently with the sheltering of migrants here in Tucson.*
