

## Sun. 10 am service instruction

Facebook has changed it's design, so it's a little easier to find our video on Sunday at 10:00!

Go to [www.TinyURL.com/GSPVirtual](http://www.TinyURL.com/GSPVirtual) any time *after* 9:50, and scroll down. It's likely you will immediately find the service with this week's service bulletin (or if the prelude has begun, you'll see the church). If this doesn't work, you can go to the menu called "More" and click on "Live."
