Loan Interaction	If you get a disaster EIDL loan tomorrow, and then use it to pay payroll and mortgage and healthcare and utilities, only to come back in a month and apply for the PPP loan you can't get forgiven for those costs you've already covered under your disaster loan	If you applied for the EIDL before 3-29-20, you will have to re-apply for the 10K. Applications after 3-29-30 include option to request 10K advance	If you received an EIDL loan related to COVID-19 between January 31, 2020 and the date at which the PPP becomes available, you would be able to refinance the EIDL into the PPP for loan forgiveness purposes. However, you may not take out an EIDL and a PPP for the same purposes. Remaining portions of the EIDL, for purposes other than those laid out in loan forgiveness terms for a PPP loan, would remain a loan. If you took advantage of an emergency EIDL grant award of up to \$10,000, that amount would be subtracted from the amount forgiven under PPP.
