Legislative Update & What Employers Need to Know

Private Attorneys General Act (PAGA) continues to be the number one issue raised by business owners at community events across our district. From small family-owned companies to large employers, businesses are navigating increasing legal exposure, compliance challenges, and costly litigation risks.

Friday, April 10th
10:00am - 11:30am
Virtual Meeting Via Zoom (RSVP BELOW)

RSVP TODAY

The Seminar Includes:

- An **update** on recent PAGA legislation
- **Insight** into ongoing legal and regulatory changes
- Practical **information** on current compliance requirements
- **Discussion** of continued pitfalls impacting businesses of all sizes
- **Opportunity** for questions and engagement

If you are an employer, HR professional, or business leader, this seminar will provide timely and valuable information to help protect your business and stay informed.
