

## **Fire & Police Safety Display to be held September 30, 2023 at McDonald's of South Milwaukee**

The South Milwaukee Fire and Police Departments will host a community safety event on Saturday, **September 30th, from 11:00 a.m. - 1:30 p.m., at McDonald's of South Milwaukee**, 2715 S. Chicago Ave.

The event will be a great opportunity for both children and adults to see the safety resources available in South Milwaukee, and have fun while learning about crime and fire prevention.

**South Milwaukee's new K-9 Team, Officer Matt and his K-9 dog partner Rocket, will be present for everyone to meet.**

A fire engine, ladder truck, ambulance, squad car, police motorcycle, police bicycles, and sheriff's vehicle will be on display. Our local firefighters, police officers, and sheriff deputies will attend, with gear to examine. Sparky the Fire Dog, Smokey® Bear and McGruff® the Crime Dog will be present, also.

Children will learn how to escape a smoke-filled building when they tour the Survive Alive House. At the "Splash" House, children will use a real fire hose to extinguish the flame. Information on bicycle safety, DARE, smoke alarms, home fire escape plans, fire prevention, and crime stoppers will be available.

There will be free activities, prize drawings, and party favors for children. Drawing prizes include bicycles, K-9 Rocket plush toys and shirts, and a "Ride to School in a Fire Truck".
