

THIS WEEK AT PEACE
MODERATOR'S NOTES

April 29, 2021

Please remember “Stories of Peace” (or Peace Pods) start on Sunday May 9. Pastor Dave has organized 12 sessions each week over three weeks starting on that date; one on Sundays, three on Mondays (one of these at 6 PM by ZOOM), and two each day on Tuesdays, Wednesdays, Thursdays and Saturdays. Meeting times vary from 10 AM to 4 PM except for the ZOOM meeting on Mondays. The last time I checked, there were spaces available in every session. I hope those of you who have not yet registered, may do so and join us. Pastor Dave has also asked if none of the available times and days work in your schedule, please let him know what days and times could work for you and he will try to match you with others available at the same times. All of the sessions except the Monday “ZOOM” at 6 PM are going to be held live in the Fellowship hall, masks and social distancing appropriate.

Remember, the purpose of these sessions is to creatively meet and exchange narratives of our experiences, spiritual and otherwise, with our colleagues here at Peace UCC. They are intended as a safe place to share out things we have enjoyed and perhaps things we have not enjoyed so much.

Last week, I announced a Finance Committee initiative to collect thoughts and opinions about the 2021-2022 budget. I was quite pleased with the meeting, Karen Cozza took notes. It is Finance Committee’s intent to post the notes so you all can see what some of are thinking and to react. I think the Finance Committee will provide additional meetings to collect and process input from the members. Hope to see you there, at Peace Pods and at Sunday Worship Services.

Abundant Blessings,
Bob Lange, Moderator
