Behavioral Health Care

Primary Impact area- Behavioral Health Care, Mental Health in low income communities.

BOARD MEMBERS NEEDED- Help Drive our Mission Forward

Do you feel passionate about behavioral health care? Do you believe in the strength and resiliency of the human spirit? If so, then you are in the right place - join the Valley Cities Behavioral Health Care Board of Directors!

We need Board Members to help drive our mission of Compassion, Connection, and Community. Enjoy the benefit of being on the board of a large nonprofit with diverse sources of funding, which allows our Board Members more time for community outreach and relationship building.

We are looking for people with backgrounds in organizational change/change management toward diversity, equity, and inclusion, behavioral health, nonprofit management, finance, legal; and/or fundraising. Valley Cities needs board members who understand or have a lived experience that can inform our work in diversity, equity, and inclusion and warmly welcome folks who have received behavioral health services, people of color & members of the LGBTQ community.

Prospective board members can explore our website www.valleycities.org to learn about our support services for our clients including; housing, crisis line, supportive employment, school-based counseling (outreach), and services for specific demographics such as LGTBQ for teens and more. Visit www.valleycities.org

*Our Board Members typically serve 3-year terms.

If interested, please email development@valleycities.org

Valley Cities Mission/Vision:

Compassion. Connection. Community.

Valley Cities Behavioral Health Care envisions healthy communities where every person can achieve their fullest potential.
