The Federal Way Black Collective is seeking board members to join its organization.

The Federal Way Black Collective (The Collective) is an organization that is committed to providing voice, building strategy, and driving change in communities of color. We accomplish our goals by advocating for the development of policies and the availability of community resources that are equitable and culturally reflective of people of color.

In terms of the board members, the collective is seeking individuals with diverse backgrounds from various professions, business types, industries, and organizations to drive positive change in our community.
