UNIVERSITY TUTORS
FOR SEATTLE SCHOOLS

BOARD OPPORTUNITY

University Tutors of Seattle Schools (UTSS) is actively seeking experienced, passionate, and fearless board members to help grow and guide the organization.

OUR MISSION

UTSS recruits highly-skilled and caring tutors from local universities and colleges and pairs their academic strengths and passion with the needs of public school classrooms. UTSS impacts students achievement, teacher effectiveness and provides jobs in our community.

OUR STORY

"University Tutors" began as a professor's vision.
He believed that college students in Seattle's universities could bring untapped academic talent and relational energy to support student achievement in Seattle Public School (SPS) classrooms.

Since 2012, UTSS has partnered with over 30 Seattle Public Schools, placed over 350 tutors in classrooms.
In 2020-21, UTSS expects to provide over 25,000 hours of remote tutor support. Though COVID has created incredible challenges for our public schools systems, UTSS quickly pivoted to remote support and has been instrumental for many of our schools in reaching students to help them access on-line learning.
