LEADERSHIP TOMORROW

Leadership Tomorrow LinkedIn Instructions

How to add Leadership Tomorrow to your LinkedIn profile

As part of LT's newly launched Strategic Plan, LT is working to expand its reach and impact in the community. One way to expand our reach is through LinkedIn, and we need your help! We encourage current class members and alumni to add Leadership Tomorrow to their LinkedIn profiles. If you have questions, contact Megan Rudolph at megan@leadershiptomorrowseattle.org. Thank you!

Follow these steps to update your LinkedIn profile:

1. Under Experience, click the Plus sign.
2. For title, write "Selected Participant, Class of XX." For Company, select "Leadership Tomorrow."

3. For location, select "Greater Seattle area."
4. For dates involved, select September as the start month and June as the end month. For years, select the year you began and the year you graduated. For example, if you're LT'21, your start date would be September 2020 and your end date would be June 2021.

5. Under description, leave blank or write: *Leadership Tomorrow (LT) educates, inspires, connects, and catalyzes cross-sector leaders who work together for collective impact. LT cultivates leaders who have a deeper understanding of the issues that shape our region, use their voice and position to advocate for systemic change, and are actively engaged in and with the community.
