Leadership Tomorrow LinkedIn Instructions

How to add Leadership Tomorrow to your LinkedIn profile

We encourage alumni to include Leadership Tomorrow in their LinkedIn profiles so it is easier for alumni to find each other via LinkedIn. This is also a great way to spread the word about LT! Questions? Contact Megan Rudolph at megan@leadershiptomorrowseattle.org. Thank you!

Follow these steps to update your LinkedIn profile:

1. Under Experience, click the Plus sign.
2. For title, write "Selected Participant, Class of XX." For Company, select "Leadership Tomorrow."

3. For location, select "Greater Seattle area." For dates involved, enter your class year (the year you graduated). For months, use September as the start month and June as the end month. For example, if you're LT'21, your start date would be September 2020 and your end date would be June 2021.

4. Under description, leave blank or write: *Graduate of Leadership Tomorrow (LT), an organization devoted to cultivating community leaders from the Puget Sound Region. For nearly 40 years, LT has educated, inspired, and catalyzed cross-sector leaders who work together for collective impact*. Our alumni are well-rounded leaders who have a deeper understanding of the issues that shape our region, work across differences, use their voice and position to advocate for positive change, and are effectively engaged in and with the community.

5. **Click save and you're done. Thank you!**
