EQUITY & INCLUSION STATEMENT
At Sound Generations we embrace the belief that racial and other social identities should be respected and affirmed. In support of this belief, we are building an equitable and inclusive organization and providing our team of staff, volunteers and board members with the tools to address institutionalized racism and other forms of oppression. All members of our team are responsible for providing and supporting an equitable and inclusive work environment that will enrich our interactions with each other and our products and services. This responsibility provides the foundation for empowering our customers (primarily those who are aging and giving care to others) so their needs are justly represented and their desires amply fulfilled. MISSION STATEMENT IN ACTION

Sound Generations is a comprehensive non-profit organization serving older adults and adults with disabilities in King County. Established in 1967, we support almost 60,000 people and those who care for them annually on their aging journey through community connections and accessible services.

Meals on Wheels & Mobile Market provides over 2,300 homebound elders with friendly visits, nutritious meals and household staples, while **Community Dining** serves over 3,600 older adults hot lunches in welcoming environments.

Hyde Shuttle & Volunteer Transportation provide 5,000 individuals with 110,000 rides to medical appointments, lunch programs, seniors centers and other local destinations.

Almost 24,000 participate in **EnhanceFitness** classes. Many benefit from one-on-one counseling and classes that help with balance, pain management and mental health.

Minor Home Repair completed more than 1,700 repair jobs in 2018, helping low-income homeowners stay safe in their homes and live as independently as they would like.

8,400 people of all ages utilized **Pathways Information & Advocacy** last year to receive free, personalized help navigating local resources, understanding their legal rights, and choosing health insurance. Those caring for an adult also received help from our **Family Caregiver Support** advocates.

Our six **Community Partner Sites** throughout King County open their doors to almost 14,000 people each year.

VOLUNTEERS

From our board to our direct services, volunteers are at the heart of what we do. In 2018, 2,496 people volunteered a total of 175,376 hours, a value of more than $5.5 million.
