A private nonprofit, KCSARC has been on the frontline for over 40 years working directly in sexual assault advocacy, treatment, public policy, and prevention.

The victims and families we help are as diverse as our many communities. 50% of our clients are under the age of 18. KCSARC has specialized programming for the Spanish-speaking community (*Dando Voz*) and innovative approaches to addressing the intersection of homelessness and sexual assault through Project*360*.

The Board's responsibilities are in governance, fundraising and advocacy.

- Interest in addressing the pervasive problem of sexual violence.
- Attendance and participation at regular Board activities, including monthly Board meetings, committee activities as necessary, and the annual Board retreat held in September.

- Connections to our region's philanthropic community
- Financial experience in nonprofit, corporate, or governmental senior accounting or finance roles
- Represent the diversity of our community in race, ethnicity and gender identity
