Our Cause & Community Presence

At the Y, strengthening community is our cause. We work side-by-side with our neighbors throughout King and south Snohomish counties to help kids and families thrive – and apply their positive behaviors and goals at home, school, the workplace, and beyond.

Our Mission

Building a community where all people, especially the young, are encouraged to develop their fullest potential in mind, body, and spirit.

Equity Statement

The Y actively promotes a culture free from bias and injustice. We are dedicated to removing institutional and systemic barriers that result in oppression and racism. We will be accountable to marginalized communities for creating equitable and sustainable environments where social justice is woven into every facet of our programs, and by caring for our communities in a culturally versatile and respectful manner.

Everyone is Welcome

The Y is a membership organization open to all people. We welcome women, men, non-binary people, girls, and boys of all ages, races, ethnicities, religions, abilities, sexual orientations and financial circumstances. Our programs and branches embrace diversity, reflecting the people and needs of our communities.
