Greetings,

On behalf of Evergreen City Ballet’s Board Development Committee, we are pleased to announce that we are taking nominations for new Board members. The Board Development Committee is responsible for establishing annual nominating priorities, conducting outreach to identify potential candidates to apply for nomination to the board, screening and evaluating applicants in relation to the nominating priorities, and recommending a single slate of candidates for election.

During this nominating cycle the Board Development Committee will be accepting self-nominations and third-party nominations (nominating someone other than yourself) for board member positions. If you know someone, personally or professionally, who has the personal characteristics and relationships in the areas identified in the 2024 Nominating Priorities (see next page), we encourage you to nominate them. By accepting both self-nominations and third-party nominations it will allow us to collect a large, diverse pool of candidates for board member positions.

ECB is embarking on an exciting new era under the leadership of Artistic Director Maximiliano Guerra and we are excited to expand our board’s expertise, diversity, and breadth in support of Maestro Guerra’s vision and grow ECB into one of the top ballet schools in the Northwest.

The Board Development Committee will review nominations on a rolling basis beginning July 1, 2024 , so we encourage you to submit your nominations before that date. Please submit your nominations by filling out the form [here](#) or using the QR code below. A board member will reach out to each nominee to understand their interest and provide a prospectus with more information on serving on the ECB Board. Questions can be emailed to board@evergreencityballet.org. Thank you for your support of Evergreen City Ballet. We look forward to reviewing your nomination!

Sincerely,

Brian Wallace
ECB Board President

To Submit Nominations:

BOARD OF DIRECTORS

Brian Wallace, **President & Treasurer**
Andrea Hines, **Secretary**
Barney Blough, **Member**
Elizabeth Rogers, **Member**
Cynthia Sprenger, **Member**
Christy Wyborny, **Member**
Moe Farley, **Advisory**
Wade Walthall, **Advisory**

Nominating priorities for 2024-2025 are listed below. These are the areas we've identified as most important to advance ECB towards our goals and promote the art of dance through education, performance and outreach. We are always looking for passionate, energetic and supportive people who love the arts to support ECB's mission as board members.

Development/Fundraising - Evergreen City Ballet is seeking an individual to join our Board with the skills, network, and resources to help us further grow by deepening our community relationships and seeking new connections. We are also seeking someone who is knowledgeable or experienced with donor management, corporate fundraising, and public speaking. Experience in community or government leadership positions is a plus.

Marketing - Evergreen City Ballet is looking for someone to help us promote our mission, cultivate a more robust brand, and expand our audience reach and viewership through public events and community partnerships.

Real Estate - Evergreen City Ballet is seeking an individual with experience in commercial real estate to help us obtain a long-term facility to support ECB's growth. Experience with both commercial leases and purchases, capital campaigns and knowledge of Renton's commercial market are a plus.

Finance/Accounting - Evergreen City Ballet is seeking an individual with financial/accounting experience to serve as the Board's Treasurer. The treasurer is the chief financial officer of the organization and responsible for providing regular financial reports to the Board, establishing fiscally responsible budgets and obtaining finances to support ECB's growth.

Attorney - Evergreen City Ballet is seeking an attorney experienced in business law and/or non-profits to provide legal counsel and leadership to the Board.
