

Volunteers Needed for our Fun(d)raising Team!

No experience necessary: all you need is a few hours a month and a passion for helping kids and teens meet their potential!

As a member of our team, you will be part of a group involved in brainstorming and developing fundraising plans and events for Urban PromiseTrenton.

More specifically, as a volunteer, you will:

1. Help our team to develop fundraising goals and objectives for Urban Promise Trenton.
2. Plan new fundraising projects, activities, and ideas to be implemented in the current year, or in the future.
3. Prepare for, and assist with, events and activities that are part of the fundraising plan.
4. Attend monthly meetings (approx.1hr). Meetings may be in person or over Zoom; this will depend on preference of the members and what is being discussed.
5. Some months will be busier than others and will require more time for meetings and preparing events.
6. Evaluate the goals and objectives of the committee and identify areas for improvement.
7. Enjoy the process, meet new people, and be involved in a worthwhile cause!

If you are interested in joining our team, or would like more information, please contact Executive Director, Melissa Mantz at (609) 540-9174 or mmantz@urbanpromisetrenton.org.

**We look forward to hearing from you!
Let's put the FUN in FUNDRAISING!**
