Park Ridge-Niles School District 64

Worlds of Wonder

For students who have completed

Grades 4-7

Summer Program 2023

2023 Worlds of Wonder offers students a unique opportunity for summer learning and fun. Our summer program emphasizes creativity and critical thinking in a challenging and rewarding environment.

Math and Reading skill-building classes are available for students **currently enrolled in District 64 who participate in Reading Intervention or have an IEP**.

Enrichment classes are offered to provide stimulation, variety, and many unique, creative, and hands-on experiences for students.

Easy, online registration at www.d64.org is available at your convenience 24/7:

- select classes
- pay by credit or debit
- receive immediate confirmation

Registration opens online Tuesday, February 21 at noon

Lincoln Middle School
200 S. Lincoln Ave, Park Ridge, IL 60068
(847) 653-3783

Use this course number to register online

Six-Week Classes

Students must enroll for all 6 weeks!

Basic Skills - Language Arts GRADES-4-5, GRADES 6-7

For students currently enrolled in District 64 who participate in Reading Intervention or have an IEP. Reading comprehension, spelling, writing, and sentence structure are reinforced.

Math Lab Grades 4-5

For students currently enrolled in District 64 who participate in Math Intervention or have an IEP. Topics include place value, comparing and ordering numbers, decimals, fractions, and problem solving. Students will work on these math concepts through hands-on activities, online computer games, and cooperative work.

Math Lab Grades 6-7

For students currently enrolled in District 64 who participate in Math Intervention or have an IEP. Students will strengthen their understanding of mathematics topics, including fractions, basic equations, ratios/proportions, and problem solving.

Select classes using grade completed June 2023

Three-Week Classes

A Stitch in Time $
GRADES 4-7 - No experience needed for this beginning course. Learn to sew by hand and with a sewing machine. $*15 supply fee added to class tuition*

Bank on It $
GRADES 4-7 - Students explore and problem solve with basic economic principles using games, simulations, media, and real-world examples. From exchange rates and currencies to mortgages and personal budgets, students learn the influences and challenges within economics. *$10 supply fee added to class tuition*

Broadcast Basics $
GRADES 4-7 - Students will research and create radio and television stories. Students will bring their productions home in a digital format.
$10 supply fee added to class tuition

Chefs in the Making $
GRADES 4-7 - A beginning cooking class. Make simple snacks and meals; includes kitchen safety and measurement. Sample the creations! *$25 supply fee added to class tuition*

Crazy for Code
GRADES 4-7
Explore your interest in computer science by creating and debugging code on the block-based coding platform, Scratch. Lesson themes include Music & Sound, Fashion & Design, Storytelling, Game Design, and more.

CSI for Students
GRADES 4-7 - Wonder what really happened to Henry Hudson? Or the true fate of the Lost Colony of Roanoke? Did Billy the Kid really get shot? Students learn research skills and present their own hypotheses like a CSI investigator.

Drawing Fun $
GRADES 4-7 - The fun you can have with paper and pencil is limitless! Enjoy doodle drawing, optical illusions, caricatures, cartooning and more! $*10 supply fee added to class tuition*

Electronic Art $
GRADES 4-7 - Use the computer as your canvas to draw, paint, and create portraits, landscape, and animation. *$5 supply fee added to class tuition*

Express Yourself $
GRADES 4-7 - Are you creative in art, writing, or drama? Explore them all through improv acting, bookmaking, drawing and more. *$10 supply fee for added to class tuition*

Fantasy Baseball
GRADES 4-7 - Have you ever wanted to be a general manager of a baseball team? In this class, own your own team, compete against your peers for the World Series trophy and learn some math skills along the way. No gambling involved.

Game Design $
GRADES 4-7
Learn design and systems thinking fundamentals while designing, repairing and playing with *Gamestar Mechanic*, an online adventure game. **Headphones required.**
$2 supply fee added to class tuition

International Chefs $
GRADES 4-7 - Learn to cook traditional favorites from around the world. *$25 supply fee added to class tuition*

Show Choir
GRADES 4-7 - Learn a variety of pop songs and choreograph dances! Students will have the opportunity to work together to create and perform a routine for an audience.

Sportswriters
GRADES 4-7 - Is sports your game? Have fun playing your favorite sports as well as reading and writing about them.

Studio Art $
GRADES 4-7 - Discover how to use a range of art media and methods to create arts and crafts projects. *$15 supply fee added to class tuition*

Study For Success
GRADES 4-7 - Develop more effective study skills, research habits, and test taking strategies. Research and present a topic of your choice.

Super Science $
GRADES 4-7 - Explore the fascinating world of slime and goo, unveil the mysteries of volcanoes and lightning, manipulate the laws of flight and more with hands-on-science!
$15 supply fee added to class tuition

Team Players
GRADES 4-5 & 6-7 - For students who want to get in the game! Learn, practice and play: basketball, floor hockey, team handball, volleyball, pickle ball, badminton, soccer, lacrosse, and flag football. Enhance your skill and fitness level! All skill levels welcome; no equipment required.

Theatre Workshop $
GRADES 4-7 - Express yourself on stage! Explore the art of acting, production, and choreography. Final performance for family and friends. Regular attendance is necessary.
$15 supply fee added to class tuition

MUSIC

Registration Information

Registration

Registration begins **Tuesday, February 21 at noon** and must be completed online at the District website, www.d64.org. Access program information and registration through the "Worlds of Wonder" link.

Apply early. Many classes fill quickly!
All participants must reside within the District 64 school boundaries.

Registration for BOTH sessions will close on Thursday, June 8. No further registrations will be accepted after that date for either session.

Selecting the Proper Class

Students may enroll in a maximum of 2 classes per session. Some classes may be offered at only one class time — consult the Class Schedule Planner. **Each class has a unique Class Number based on the time and session. Note this Class Number as it will make online registration easier.**

▶Select classes using grade completed in June 2023.

▶If your child has a food allergy, please consider whether a foods class would be appropriate.

Accommodations

If your child requires accommodations for Worlds of Wonder Summer School, please contact the WOW principals at 847-318-4218 (4-7) Lincoln and 847-318-4252 (K-2) Washington.

Absences

Parents must notify the Lincoln Middle School office at (847) 653-3783 before 8:15 a.m. if their child will be absent.

The school secretary will contact parents if an absence has not been confirmed.

Payments and Refunds

Online payment must be made by debit or credit card (Discover, Visa, and MasterCard only). Online registrations will not be processed without full payment.

Tuition per Class*	3 Week	6 Week
On or before April 15	$135	$270
After April 15	$155	$310

*Additional fees may be assessed for special supplies. A **$** in the class description denotes when an additional fee is due.

We understand that plans may change prior to the start of summer school:

▶**Before June 8**, tuition and any applicable supply fee will be refunded, subject to a 5% processing fee per class.

▶**Beginning June 8**, only the tuition will be refunded, subject to a 5% processing fee per class. Any applicable supply fee will be forfeited.

▶**No refunds of any kind will be given after Friday, June 9.**

If District 64 cancels a class due to insufficient enrollment, tuition and any applicable supply fee will be fully refunded.

Due to fixed costs, refunds will not be available for student absences or cancelled days resulting from weather or other unforeseen emergency.

Financial Assistance

A limited number of funds are available to support families with financial need. Please contact the Business Office at 847-318-4234.

Extended School Year (ESY)

If your child has an IEP, your child may be eligible for the Extended School Year Program (ESY). Please contact the Assistant Director of Student Services at 847-318-8122.

Transportation

Students may walk or be driven to school. Students who ride or use a bike, skateboard, or rollerblades must wear a helmet to and from school, according to District policy.

Medication at School

Most medication can and should be timed to be taken at home. If it becomes necessary for your child to take or keep medication at school, a medication form must be completed by you and your child's physician. This applies to both prescription and over-the-counter medication. The Medication Authorization Form can be found on the District website at www.d64.org or can be obtained from any school health office. Medication must be provided in a labeled prescription bottle or in original packaging.

If documentation is already on file in the school health office, no further paperwork is necessary. In the case of asthma inhalers only, parent signature is required on the medication form; however, the pharmacy label from the inhaler may substitute for the physician's signature. The label must include the student name, date, and dose and timing of medication.

▶**Please note:** It is the parent/guardian's responsibility to transport the medication from the child's home school to summer school. Parents also must pick up all medication by the last day of summer school.

Emergency School Closing

The Superintendent is authorized to close summer school in the event of hazardous weather or other emergencies that threaten the safety of students, staff members, or school property. District 64 will activate the automated phone message service to call parents/guardians when a decision to cancel school is made — typically before 6:30 a.m.
