Early
Childhood

of the Council for Exceptional Children

TUESDAY, APRIL 14TH - THURSDAY, APRIL 16TH, 2026

Join the Division for Early Childhood this spring for a three-day virtual institute to explore **actionable strategies aligned with DEC Recommended Practices and EI/ECSE Professional Standards**. Across three interactive virtual days, participants will engage in real-world problem solving to strengthen outcomes for young children with disabilities and their families.

DEC VIRTUAL INSTITUTES

Join DEC this summer to **focus on inclusion that goes beyond access to true belonging** for young children in home, school, and community settings.

Together, we'll explore how professionals, families, and systems can ensure young children truly belong across home, school, and community environments.
