

# Your Voice Matters.

We WANT to hear from  
you!

Share your thoughts!

## Share your journey!

This study seeks to understand how **special education related professionals parenting a child with disabilities** navigate special education services and advocate.

Participation in this study involves:

- Two individual interviews via Zoom lasting between 45-60 minutes each.
- Participation is voluntary and anonymous.

\*\$25.00 gift card per interview (\$50.00 total value).

This study has been approved by the Institutional Review Board of the University of Nevada, Reno. #1768641 | InfoEd #2100637

We are recruiting **special education related professionals parenting a child with disabilities** across the United States to participate in our research study.

## Are you eligible?

- You are a special education related professional (e.g., early interventionist, speech pathologist, school psychologist, special educator) parenting a child with disabilities.
- Your child (Birth to 21-year-olds) receives special education services.

If you are interested in participating in this study or if you have questions about eligibility for participating, please contact:

- Dr. Ruby Batz, PhD, Assistant Professor
- Email: [rbatzherrera@unr.edu](mailto:rbatzherrera@unr.edu)

For your convenience, you can use the QR code below to access the pre-screening form to be contacted by our team if eligible to participate:
