

# Louisiana ENERGY Summit

WEDNESDAY, JUNE 13, 2018

## OIL & NATURAL GAS IS *Powering* SOUTHWEST LOUISIANA

Join us for lunch on Wednesday, June 13, 2018 at the Louisiana Energy Summit in Lake Charles! You'll hear from top-notch speakers about how the oil and natural gas industry is powering your community.

Louisiana's oil and gas industry is vital to our state and to the nation. Join us to hear from statewide leaders, local representatives and industry advocates on just how important the industry in your region is to the success of our communities.
