### **CircaTerra Travel Outfitters**

CircaTerra means “around the land”. Our commitment is to make your travel less stressful with comfortable clothing, lightweight luggage, and travel products that offer comfort, convenience, and security.

We carry a wide range of luggage from carry on size to large 4-wheel spinners from specialty brands not found in department stores, anti-theft handbags, and adventure clothing that protects you from harmful UV rays. For casual travel we offer versatile sportswear, walking shoes from Portugal, and silk/cashmere scarves from Spain.

Our staff can show you how to pack lighter and more organized and travel safer where there are disease-carrying bugs, harsh UV rays, and impure water. We offer adapter plugs for powering up in 150 different countries.

Our store is located in Loreto Plaza between Chaucer’s Books and Harry’s Plaza Café.

We are open Monday through Saturday from 10AM to 6PM, and Sunday 11Am to 5PM.
