MTD SEEKS INPUT, WILL CONDUCT SURVEY, HOLD COMMUNITY LISTENING SESSIONS

SANTA BARBARA – In an effort to better understand how people get around the South Coast, Santa Barbara MTD has launched a Community Survey seeking input from local residents, whether or not they currently ride the bus. The brief survey is available in English and Spanish, and can be taken online or on a paper form. Paper forms will be available at the Transit Center and MTD Headquarters, and can be mailed upon request.

In addition to seeking input through the Community Survey, the MTD Board of Directors is holding three Community Listening Sessions during the month of October. MTD encourages the public to attend and share input on what they like, what they'd like to see change, and to give general feedback on MTD's services. Refreshments will be provided.
