

Mark Your Calendars

Join us this year on October 1st and show your support for the SB Police Foundation and the men and women who are dedicated to protect and serve our community.

Enjoy the local restaurants and wineries that donate their time and talents for food and beverages tasting along with demonstrations by the Santa Barbra SWAT and K-9 teams.

This year we plan to have the event a portable Force Options Simulator (that was purchased with police foundation funding) to allow attendees to test their ability to make split second decisions in use of force scenarios.

Music and dancing will follow the event hosted at one of the most exquisite private estates in Santa Barbara. Truly an evening you won't forget as we come together to make something beautiful happen again and have fun with the force!
