State College Quarterback Club Football Banquet Ticket Sales Procedure for 2019

Date for Banquet: Sunday, December 15, 2019

The State College Quarterback Club Board of Directors adopted this procedure for the sale of their Football Banquet Tickets for 2019. The procedure for ticket sales is as follows:

- A mailing in late-October will be made to all paid SCQB Club members who do not have an email address on record, as those with an email will be sent via constant contact. This action is an effort to provide a more equitable opportunity for all members to request and purchase Banquet Tickets.
- Every effort will be made to have a football player(s) sit at each table; however, due to schedules and unforeseen events, this cannot be guaranteed.
- A request to purchase Banquet Tickets will be limited to a maximum of **one ticket per individual member (two per household couple and individual coaches circle membership or three for coaches circle household couple membership)**, with a member being defined by the type of membership paid for the 2019 season.
- Football Banquet Tickets will only be made available to current paid SCQB Club members, unless all member orders are filled and there are still tickets remaining.
- Ticket request forms **must be mailed** with payment in full only for the tickets you are entitled, per bullet point two. No hand deliveries or e-mail requests or phone orders will be taken. No credit cards.
- Ticket allocations will be issued on a first come, first served basis, with the date of receipt of mailed-in request form being the order that the requests will be filled.
- Members who wish to sit together must submit their request forms and money together. (A total of 8 is the maximum that can be seated together).
- Members interested in purchasing additional tickets, beyond the allotment described above, may indicate that desire on the original ticket request form. Should there be availability, the receipt date of the mailed-in request form will again be the order used for these additional ticket allocations. Please do not send monies for the requested additional tickets.
- Members must provide an e-mail address or phone number on their ticket request form so that notification can be made to those who have been allocated banquet tickets. Tickets will be available for personal pick-up, to those notified of ticket allocation, for two luncheon dates in November. If you are unable to pick up your tickets at one of the designated luncheons, you will be able to pick up your tickets the day of the banquet at the “will call/registration desk”, or you can provide us with a postage paid return envelope with your ticket request form, in order to have your tickets mailed out prior to the banquet event.
