SCAI 2022 FELLOWS COURSES

SCAI Fellows Congenital Heart Disease Course
December 2–5, 2022

Eligibility:

If you are in the third or fourth year of a pediatric cardiology fellowship in the US or Canada, interested in cardiac catheterization, and have not previously attended this SCAI Fellows Course, you are eligible.

All accepted participants will receive:

- Complimentary tuition
- Networking opportunities, meals, and breaks throughout the course
- Reimbursement of one (1) round-trip coach airfare to/from Miami, up to $500 for attendees coming from the US or Canada
- Reimbursement of up to three (3) night's hotel accommodation at the SCAI group rate (Friday, December 2–Monday, December 5).
