

Lead the Future of Pediatric Pulmonary Hypertension Care

at Nemours Children's Cardiac Center

Nemours Children's Cardiac Center is seeking a Pediatric Cardiologist with expertise and aspiration to take a leadership role in pulmonary hypertension. Join a rapidly growing program at one of the nation's leading pediatric health systems.

Why choose us?

- Backed by the Nemours Foundation's long, rich financial history
- \$130 million expansion of our Delaware campus – the largest in our history
- 25 years of excellence as an OPTUM Center of Excellence
- Academic affiliation with Thomas Jefferson University; research through University of Delaware, ChristianaCare, and the CardioVascular Center for Research + Innovation

Cardiac Center Resources

- Integrated practice unit of 250 employees
- 20-bed CICU, 15-bed step-down, 3-bed PACU
- 2 hybrid interventional and EP labs, dedicated cardiac OR
- Dedicated cardiac nursing (Magnet designated)
- Multidisciplinary team: surgeons, intensivists, anesthesiologists, cardiologists, electrophysiologists, heart failure and transplant specialists, psychologists, genetics counselor

Our Culture

- Whole Child Health extends to all associates: physical, social, and financial well-being
- Committed to becoming the healthiest workforce and building the healthiest generation of children
- Values-driven culture that invests in talent, fosters perseverance, and supports professional growth
