Boston Children's Hospital

Where the world comes for answers

Cardiac Imaging Faculty Position

The Division of Cardiac Imaging in the Department of Cardiology at Boston Children's Hospital is actively recruiting a physician to join our world-renowned cardiac imaging team as faculty (attending staff). Candidates must be Board Certified or Eligible in Pediatric Cardiology. Candidates at all career stages who possess strong clinical, research, and teaching abilities are encouraged to apply. Valued clinical skills include echocardiography, fetal cardiology, cardiac magnetic resonance, and cardiac computed tomography. An academic appointment at Harvard Medical School will be sought at a rank of Instructor, Assistant Professor or Associate Professor commensurate with qualifications.

The Division of Cardiac Imaging at Boston Children's Hospital is one of the largest imaging programs for children and adults with congenital heart disease in the United States. Its activities include transthoracic echocardiography, transesophageal echocardiography, fetal echocardiography, cardiac magnetic resonance, and cardiac computed tomography. A high proportion of cases have complex disease and undergo image-guided interventions. Equipment includes state-of-the-art imaging, reviewing, and reporting technology. Resources for conducting clinical, basic science, and translational research are abundant throughout the Department. Academic advancement through research and teaching activities is strongly encouraged and supported. We have a highly-regarded senior fellowship program in cardiac imaging and train 2-3 fellows each year.

Interested candidates should send their curriculum vitae to:

Andrew J. Powell, M.D.
Chief, Division of Cardiac Imaging
Department of Cardiology
Boston Children's Hospital
300 Longwood Avenue
Boston, MA 02115
Email: andrew.powell@cardio.chboston.org

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.
