

The Pediatric Heart Center at Cohen Children's Medical Center

The **Pediatric Heart Center** at **Cohen Children's Medical Center** is an integrated program, with specialists in cardiac surgery, cardiology, and critical care. Programs of excellence include interventional catheterization, advanced CT and MR imaging, COVID/MIS-C follow up, Advanced Fetal Center, genetic aortopathies, electrophysiology and device implantation, comprehensive echocardiography, as well as the inception of our heart failure program.

As we continue to expand, we are seeking a BC/BE Fellowship trained **Pediatric Cardiologist** with dual training and BC/BE in **Adult Congenital Heart Disease**. The Adult Congenital Heart Program at Cohen Children's Medical Center is a fully integrated program, with specialists in adult medicine including hepatology, pulmonary, heart failure and intensive care. We also have an outstanding maternal-fetal medicine program and high risk obstetrical team to provide cutting edge care for our mothers with congenital heart disease. Our Adult Congenital Heart Program team includes ABIM Board Certified adult and ABP Certified pediatric cardiologists, cardiothoracic surgeons, cardiovascular anesthesiologists, interventional catheterization physicians, advanced imaging physicians, exercise physiologists, electrophysiologist, nurse practitioners, nurses and staff, who are all specialized in treating adults with congenital heart defects. The program is led by our Medical Director, who is an ABIM certified and ACHD accredited provider, with over 25 years of experience as an electrophysiologist.

The Steven and Alexandra Cohen Children's Medical Center is rated by US News as the best children's hospital in New York State and one of the five best in the mid-Atlantic region. It is the largest pediatric teaching hospital in the New York metropolitan region, with more than 13,000 admissions per year. It is the tertiary pediatric medical center of Northwell Health, formally the North Shore-Long Island Jewish Health System, and is the only Level-1 Pediatric Trauma Center and ECMO Center on Long Island.

Cohen Children's is the only children's hospital on Long Island that offers comprehensive pediatric/congenital cardiology and cardiac surgery care from pregnancy through infancy, childhood, adolescence and adulthood for congenital heart disease. The Cohen Children's Heart Center provides more than 14,000 inpatient and outpatient visits annually. With one of the highest volume programs in New York State, the Division of Pediatric Cardiology has a long reputation of providing exceptional cardiovascular care throughout the region.

We offer a **competitive salary** and **benefits package**. In addition, an **academic appointment** with The Donald and Barbara Zucker School of Medicine at Hofstra/Northwell is commensurate with credentials and experience. Physicians will be employed as members of Northwell Physician Partners, the seventh largest medical group in the country.

For further details and opportunities, please contact:

Dr. Jeffrey Gossett, Vice President and System Chief, Pediatric Cardiology, JGossett1@northwell.edu,
Lindsay Appelman, Office of Physician Recruitment, Northwell Health, OPR@northwell.edu.
