

# Shape the Future of Cardiac Care with Nemours Children's Hospital

## Medical Director, Adult Congenital Heart Disease

### Join Our Growing Program

Nemours Children's Hospital, Delaware is seeking a Medical Director for Adult Congenital Heart Disease (ACHD). This is an opportunity to lead in a nationally recognized Cardiac Center that combines clinical excellence with a culture of growth and perseverance.

### Our ACHD Program

- Two full-time congenital cardiac surgeons
- Two board-certified ACHD cardiologists
- Dedicated PA, nurse, social worker, and clinical psychologist
- Advanced imaging, catheterization, electrophysiology, anesthesia, and intensive care

### Cardiac Center Distinctions

- Celebrating 25 years of excellence
- OPTUM Center of Excellence
- Magnet-designated cardiac nursing

### Why choose us?

- Backed by the Nemours Foundation with a long, rich financial history
- \$130 million Delaware campus expansion — the largest one-year investment in our history
- A culture that invests in talent, supports innovation, and builds programs that shape the healthiest generation of children
- Opportunities to teach, grow, and lead transformation of care

### Well-Being and Whole Child Health

- The well-being of our associates is the foundation of Whole Child Health
- Comprehensive wellness benefits — physical, social and financial — supporting the healthiest workforce
