

Pediatric Cardiologist – Rainbow Babies and Children's Hospital

Rainbow Babies and Children's Hospital (RBC) and The Congenital Heart Collaborative are conducting a search to identify candidates for an additional Pediatric Cardiologist to join our expanding program.

Opportunity Highlights:

- The position will predominantly serve as the primary Pediatric Cardiology representative to our MetroHealth partnership, an innovative affiliation between Rainbow and the MetroHealth System to provide world class pediatric cardiology care in downtown Cleveland, with options to serve additional clinics at our main Rainbow campus and other ambulatory locations across Northeast Ohio.
- Coverage at MetroHealth will include inpatient consultation of the Neonatal ICU, Pediatric ICU, and general pediatric unit.
- The RBC Heart Center provides comprehensive services across all cardiac subspecialties and includes 21 faculty (12 cardiologists, 5 cardiac intensivists, 2 cardiothoracic surgeons, and 2 cardiac anesthesiologists) along with a full complement of interdisciplinary team members.
- **RBC Heart Center and Nationwide Children's Hospital Heart Center in Columbus, OH have partnered to form The Congenital Heart Collaborative (TCHC).** TCHC is a dedicated service line with a common executive administration and functions as one program on two campuses with the commitment to expand access to high-quality comprehensive cardiac care regardless of patient age to the communities served while equally embracing a scholarly and educational mission.
- RBC Heart Center has an ACGME accredited Pediatric Cardiology fellowship with two fellows per year.
- The facilities at the RBC Heart Center include a recently opened, state-of-the-art Interventional Cath/EP/Hybrid OR suite and a beautiful, dedicated cardiac stepdown unit. Planning is underway for a new state-of-the-art Pediatric Cardiac Intensive Care Unit that will be immediately adjacent to the Hybrid Cath/EP suites and stepdown unit with plans for opening in 2023.
- Faculty at RBC maintain an academic affiliation with Case Western Reserve University with an academic portfolio that allows for promotion and career advancement.
- Based on the experience and interest of the successful candidate, research support and/or support for quality improvement work is readily available.

Qualifications:

- Candidates will be considered at any academic rank, including fellows completing training.
- Must have completed a 3-year pediatric cardiology fellowship and be BC/BE in Pediatric Cardiology.
- Must be eligible for medical licensure in Ohio.
